Syria's HNC to Decide on Delegation to Geneva-6 Talks at Riyadh Meeting

9 May 2017, 09:43 GMT

Kassis stressed that the meeting on Syria's new constitution in Astana was initiated as the talks, headed by UN Special Envoy on Syria Staffan de Mistura, seemed to lack any progress and consensus on the development of the constitution.

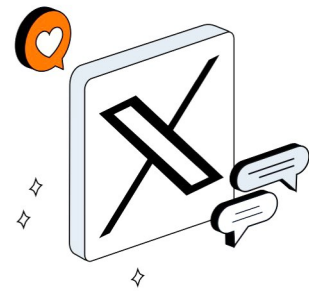

At the sixth round of UN-backed talks in Geneva, de Mistura presented all parties with a plan to create a consultative mechanism on Syrian constitutional matters, drawing instant criticism from the opposition's

High Negotiations Committee (HNC) delegation, which attacked nearly every point of the initiative and demanded clarifications.
